June 2019

Hello members and colleagues,

We had a great meeting in May, with RJS Law covering some very valuable topics. For June we have Steve Sims as our guest speaker. Many of you have seen Steve speak before during his many years as the Taxpayer Advocate for the Franchise Tax Board. Steve is always an entertaining speaker, and his sessions are full of very good and useful information.

For the **Annual Tax Update** this year, we have decided to take a different direction. Our goal has always been to rotate speakers to continually get the best information out there while also getting a fresh voice on many tax matters. For this year's tax update we have partnered with Brass Tax for a one-day update class on December 3, 2019. This Brass Tax update will replace the January update we have done in past years. Brass Tax has always done a great job with the complicated tax law changes, and this year will be no exception. With all of the nuances to the new tax code, our partnership with Brass Tax could not have come at a better time. We have worked with Lisa Ihm of Brass Tax and secured a discount for SCTP members. Please use the code "SCTP" in the referral box at checkout to get the discount. Please sign up at Brasstax.com by September 1st to get the best price possible.

We have finalized our education slate for the 2019 year. We are very excited about the speakers we have lined up and think you will be too. Please review the **Education Calendar** in this newsletter and let a Board member know if you have any questions on a topic or speaker.

We are looking for new Board members for this upcoming year. Please come sit in on our next board meeting at 4:00 pm (before the dinner meeting) on June 12th to see how easy it is to be a Board member.

As always, if you have any questions or need any additional information, please feel free to reach out to a Board member and let us know.

Respectfully,

Marc Lord

SCTP President
